Annual Fund 2021-2022

DID YOU KNOW?

Everything we do at Blessed Sacrament School stems from our mission:

***Creating an educated community to serve
Christ and one another with integrity and respect.***

- Our traditional curriculum has provided the foundation leading to standardized test scores which are historically among the highest in the Diocese of Arlington and in the top 10% of schools nationwide. We are an educated community.
- Our students and families serve the school, parish, and local communities through dedicating more than 10,000 hours of volunteer service every year. We serve others in the image of Christ.
- Our students create faith-filled bonds to support and inspire all members of our school community. We treat all God's children with integrity and respect.
- BSS is a proud two-time recipient of the Blue Ribbon Award for academic excellence from the U.S. Department of Education in 2008 and again in 2018.

Donors become partners in:

Supporting our school community financially

- Providing instructional technology, classroom and facility upgrades.
- Subsidizing the school's operating budget to keep tuition affordable and help close the gap between tuition and the cost of educating our students.
- Funding our Professional Development Grant and Tuition Assistance Programs.
- The Annual Fund goal of \$77,000 reflects both the financial challenges faced by the school and the financial challenges faced by many BSS families.
- Tuition assistance requests have increased to 11% of BSS families (up 4% from 2020-2021).

Supporting our school community spiritually

- Praying with and for each other strengthens the bonds among students, faculty, and parents.
- Extraordinary times need the participation of an extraordinary community.
