

2020-2021 FACTS Tuition Payment Plan Information

Since the stability of our school and the quality of its programs are of the utmost importance, we are always seeking ways to make improvements to benefit everyone. After much research and investigation, we have partnered with FACTS Management Company to help us manage our tuition payment program. FACTS is used by many schools locally and over 4,000 schools nationally. We are excited to be working with them and are confident this program will offer greater efficiency and financial stability for the school while providing convenience to families.

One of the universal challenges in education is achieving a balance between our educational mission and financial stability. It is precisely for this reason we are enlisting the help of FACTS Management Company. With FACTS, the school maintains decision-making control. As always, we will continue to work with families should special circumstances or “hardship” cases arise during the school year.

Thank you for your loyalty and support for Blessed Sacrament School. We depend on your support in our efforts to provide the highest quality of education for your children. Your continued cooperation is appreciated, as we remain committed to our mission.
