

# **FAQs About Parish Registration**

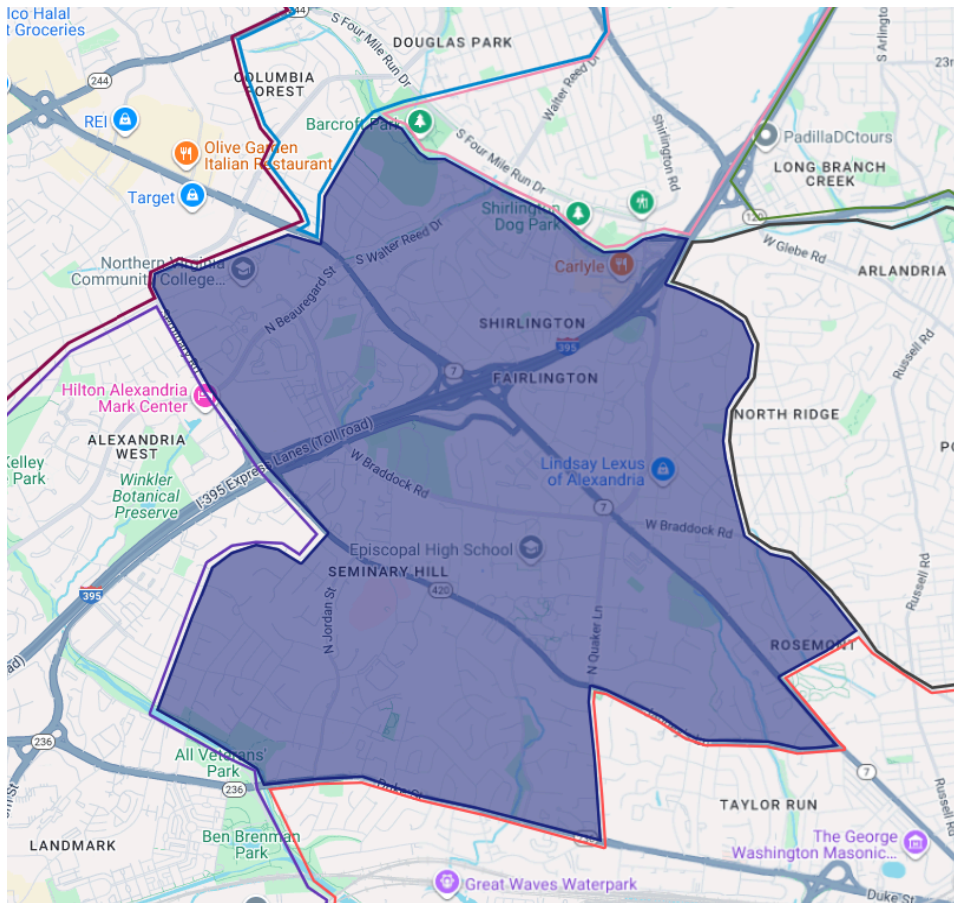

## **1. Can I register as a parishioner at Blessed Sacrament Parish?**

In the Diocese of Arlington, Catholics are required to register at the parish within whose boundaries they live. This is not just an organizational policy. Rather, canon law says that a priest is responsible for the spiritual well-being (ensuring the sacraments, etc.) of the people within his “domicile.” Non-Catholics must complete RCIA before registering at a parish.
