

“Creating an Educated Community
To Serve Christ and One Another
With Integrity and Respect”

Dear Rising Fourth Graders,

Happy summer! I look forward to starting fourth grade with you in August. In order to keep all the wonderful skills you gained in third grade, you will be asked to complete a summer math book (provided), as well as the following summer reading assignments. Reading is a wonderful way to learn about different cultures, people, time periods, experiences, as well as ignite our imaginations! I have put together reading journals to use over the summer and we will use these throughout fourth grade as well.

You should read at least **FOUR** chapter books over the summer. Two of the books are **REQUIRED** to be read by the entire class -- we will start our discussions about literature with these books. You will complete a journal entry (form **PROVIDED!**) for **EACH** book. I have included extra sheets for additional books you may read, so your journal will be off to a great start!

You will choose two of the four required books. They are *Frindle*, by Andrew Clements, *Nim's Island* by Wendy Orr, *The Phantom Tollbooth* by Norton Juster and *Rickshaw Girl* by Mitali Perkins. These books are classics and I hope you enjoy them! The other two books are to be chapter books of your choice. Please complete journal entries for these two books as well. A list of recommended titles, authors, and series are on the BSS school website -- fourth grade.

You will also be required to complete math assignments on IXL. Information on that is in this document. There is also an option to purchase the Math Sharpeners Workbook. That information is also in this document at the end.

Finally, please send me a postcard from an adventure you have this summer. You don't have to go anywhere and you can make your postcard -- just share a fun experience you had. Please send to:

Mr. Felix Najarro
c/o Blessed Sacrament School -- 4th Grade
1417 West Braddock Road
Alexandria, VA 22302

ALL summer work is due the first day back to school, August 27, 2018 -- please be sure you have:

*Summer reading journals (with **AT LEAST FOUR** entries!)

ENJOY your summer and I can't wait to start fourth grade with you!

1417 West Braddock Road Alexandria, Virginia 22302 P. 703.998.4170 F. 703.998.5033

"I just read an incredible book!"

THE TITLE OF THE BOOK IS: _____

THE AUTHOR IS: _____

THE GENRE IS: _____

Summer IXL Math Practice:

This assignment is due on the first day of school, August 27th

Your summer math assignment is to complete the following skills on the 3rd grade level on <https://www.ixl.com/signin/blesseds> (you can access the website on any computer or you can download an app for your Apple/Android device). You must achieve a Smart Score of at least 80 on all skills.

- A.2 Even or odd; arithmetic rule
- A.5 Number sequences
- A.9 Compare Numbers
- A.11 Order Numbers
- B.3 Place value names up to hundred thousand
- P.2 Rounding
- S.1 Count coins and bills – up to \$5 bill
- S.4 Making change
- T.1 Match clocks and times
- C.1 Add two numbers up to three digits
- C.3 Add two numbers up to three digits – word problems
- D.1 Subtract numbers up to three digits
- D.3 Subtract numbers up to three digits – word problems
- G.15 Multiplication table up to 12
- H.6 Multiplication word problems
- K.13 Division facts up to 12
- L.5 Division word problems
- W.2 Understand fractions: fraction bars
- AA.1 What decimal number is illustrated?
- FF.3 Perimeter of polygons

If you are unable to access a computer over the summer or would prefer to not do computer based summer math work, don't worry! You may complete the summer math book instead. Please select the Grade 3 Summer Math Book. The link below will bring to the math book order website:

<http://www.summerskills.com/books/summer-math-skills-sharpener-1>

Enjoy your summer and keep your math skills fresh!

Mr. Najarro
