

Dear Rising Fourth Graders,

Happy summer! I look forward to starting fourth grade with you in August. In order to keep all the wonderful skills you gained in third grade, you will be asked to complete a summer math book (provided), as well as the following summer reading assignments. Reading is a wonderful way to learn about different cultures, people, time periods, experiences, as well as ignite our imaginations! I have put together reading journals to use over the summer and we will use these throughout fourth grade as well.

You should read at least **FOUR** chapter books over the summer. Two of the books are **REQUIRED** to be read by the entire class -- we will start our discussions about literature with these books. You will complete a journal entry (form **PROVIDED!**) for **EACH** book. I have included extra sheets for additional books you may read, so your journal will be off to a great start!

You will choose two of the four required books. They are *Frindle*, by Andrew Clements, *Nim's Island* by Wendy Orr, *The Phantom Tollbooth* by Norton Juster and *Rickshaw Girl* by Mitali Perkins. These books are classics and I hope you enjoy them! The other two books are to be chapter books of your choice. Please complete journal entries for these two books as well. A list of recommended titles, authors, and series are on the BSS school website -- fourth grade.

Finally, please send me a postcard from an adventure you have this summer. You don't have to go anywhere and you can make your postcard -- just share a fun experience you had. Please send to:

**ALL** summer work is due the first day back to school, August 26, 2019 -- please be sure you have:

\*Summer reading journals (with **AT LEAST FOUR** entries!)

**ENJOY your summer** and I can't wait to start fourth grade with you!
