

Calling All Walkers! 2022 - 2023

Students who live within walking distance of our school may walk home. In order to keep all the children safe and secure this year all students who will be dismissed as walkers **every day** must first register with the office in writing and will be issued a bright yellow walker tag. The tag must be pinned to the outside of the backpack so that the dismissal monitors can allow the child to leave the building without an adult. Thank you for your cooperation.

Yes, I wish to register my child/ren,
